** AASP313/HIST329/WMST314 students report on their interviews with black women who were undergraduates at the University of Maryland College Park in the years 1971 – 2004

***WMST250 students, inspired by Mónica Mayer’s El Tendedero/The Clothesline Project, currently on display at the National Museum of Women in the Arts, create their own art projects to address a social/political issue of importance to them

Please come for as much of the day as you can or for any portion of a session; remember if entering after a session has started or leaving before it ends, to do so quietly.
