Apply to be a Global Health Corps Fellow

Are you a senior or recent graduate who is passionate about building a movement for health equity? Do you believe that health is a human right?
Learn about the Global Health Corps (GHC), a program that aims to mobilize a global community of emerging leaders to build the movement for health equity. GHC provides opportunities for young professionals from diverse backgrounds to work on the frontlines of the fight for global health equity in yearlong fellowships. GHC fellows are currently working in Rwanda, Burundi, Uganda, Malawi, Zambia and the United States. They have a measurable impact on the health of the communities in which they work, and draw upon that experience and the GHC alumni network to deepen their impact throughout their careers.

Are you a Transfer Student or Commuting from Off-Campus?

Maryland Coalition Against Sexual Assault

Spring 2019 Internship Opportunity

The Maryland Coalition Against Sexual Assault (MCASA) advocates for accessible, compassionate care for survivors, the prevention of sexual assault, and accountability for all offenders. MCASA actively works to end sexual violence in the State of Maryland through professional training, public outreach, public policy advocacy, technical assistance, and legal services.

Through hands-on learning responsibilities, MCASA’s program interns are engaged in the important effort to end rape, child sexual abuse, and the full continuum of sexual violence including campus sexual assault and human sex trafficking. They are exposed to the latest thinking in the field of sexual assault prevention and response through webinars and trainings, professional meetings, and written resource materials. Program interns also come away with practical knowledge about a statewide nonprofit organization’s strategies for office management, internal and external communications, professional training, and public outreach.

A minimum commitment of 15 hours per week is required. Interns are encouraged to work with their academic institutions to seek credit.

This internship located at our metro-accessible Silver Spring, MD office.
